DESIGN SERIES

The People Signs 1600 Design Series is an oversized sign series with multiple layers. This is **an exquisite sign with an ultimate, high-end design**, yet still ADA compliant. The front panel has a curved header and an area for a dimensional accent stripe or aluminum accent bar. The clear lens allows for a full pass-through from either the right or left. The decorative backer adds an additional layer and depth to the sign. Choose from an array of our ADA compliant, non-glare acrylic colors or our metallic and wood laminate options. This sign series is ideal in a luxurious environment or one known for being top-of-the-line.
